

Adelaide University Gliding Club Inc.

Fees & Accounts Procedures

Effective 1 September 2011

1 Introduction

This document includes current AUGC fees, charges and accounts policies and procedures. Because it includes elements of AUGC's and its parent bodies constitutions and the decisions made at Executive Committee meetings it is necessarily detailed. It forms (in effect) the 'by-laws' of AUGC relating to fees and accounts. It is endorsed by the AUGC Executive Committee. Further explanation can be sought from the Treasurer treasurer@augc.on.net. Periodic updates of this document will be posted to the AUGC website www.augc.on.net.

2 Accounts

Account information is recorded in an electronic database. The database is periodically updated and reconciles fees, charges and payments from many sources, described in this document. The database then maintains accounts for all individuals, with some flexibility in their management. Accounts, and their normal operation, are made for:

- **Members:** who may review their accounts (fees, charges, payments and flying histories) through the AUGC website.
- **Non-members:** who would expect to reconcile their accounts on leaving the airfield.
- **Groups** (e.g. families) of members or non-members: who can use a single account
- **Member's Guests:** who can on-charge their expenses to a member's account

Please ensure that clear instructions regarding individual's intentions are noted on the flight sheet to avoid confusion and embarrassment.

2.1 Payment Options

- **On-Field.** Cash or cheque payments should be deposited into the AUGC Cash Tin. Cheques should be made out to "Adelaide Uni Gliding Club Inc." All payments must be recorded on the back of the Flight-Sheet/Airfield Cash Sheet and witnessed/initialled (preferably by the Duty Pilot/Instructor). Please indicate if the payment is for a specific non-flying purpose (e.g. BBQ, book, membership, etc). When a single payment is made for several individuals (e.g. a family), please indicate how the payment should be distributed otherwise it will only be credited to the payee.
- **By EFT.** EFT payment to the Club's bank account is preferred. Account details are:
 - BSB: 085 005
 - Account Number: 20744 5568
 - SWIFT Number: NATAAU3305A (for outside Australia)

So that payments may be related to the payee please include Your Name in the relevant fields of your on-line banking tool (as these are often not included by default) and email the treasurer indicating the amount paid (so that payments without identifiers may be reconciled) and any special instructions that may be needed..

- **In Person.** Cash or cheques may be passed to the Treasurer/Assistant Treasurer.

- **At Uni.** Cash payments may be made to the Adelaide University Sports Association (office located in the Union Building). The Sports Association will provide a receipt.
- **By Credit Card.** Payment by credit card to AUGC for accounts is not possible. Payment by credit card directly to the GFA for GFA membership fees is possible via the “credit car payment forms”. Individuals are required to forward the payment form and membership form directly to the GFA (i.e. AUGC is not acting as agent).

2.2 Account Enquiries

Balances and account histories are available through the AUGC website (log in at www.augc.on.net & go to “Bookings”) or may be requested from the Treasurer treasurer@augc.on.net/Assistant Treasurer accounts@augc.on.net.

3 Concession Rates

Some fees are charged at reduced rates for concession holders, determined at the discretion of the Treasurer. Those qualifying include:

- all full time Adelaide University students.
- full-time students at other tertiary institutions.
- primary & secondary school students.
- pensioners.

Those claiming a concession status must record details such as university/school name and student card number on their GFA and/or AUGC membership application forms.

Concession rates are only available for AUGC members or AEF packages. Additional AEF launch and aircraft hire, yet to join trainees and visiting pilots are charged at normal rates.

The shared aircraft hire part (50%) of local and cross-country mutual flights will be charged at the concession rate to the concession holder alone.

4 AUGC and AU Sports Association Membership

AUGC offers several membership types, which vary from time to time.

AUGC is affiliated with the Adelaide University Sports Association (AUSA). AUSA membership is mandatory for all AUGC members as with other Adelaide University sporting clubs. The AUSA membership year is from March to February inclusive. AUSA membership is only required once from individuals joining more than one Adelaide University sporting club. If you have paid this to another Adelaide University sporting club then you must provide the receipt number to AUGC. The AUSA fee is

- \$0 Adelaide University Student
- \$66 Normal
- \$11 Junior

The annual fees for Membership of AUGC, **including 12 month Sports Association fee as applicable**, are:

- **\$150 Normal**
- **\$96 Concession** (This includes full-time Flinders Uni and UniSA students)
- **\$30 Adelaide Uni Student**
- **\$41 Junior** (Under 18 non-Adelaide University students)

Life Members are not required to pay AUGC or AUSA membership fees. The Club will pay the Sports Assoc fee of a Life Member on request.

The AUGC and AUSA membership year is from March to February inclusive. AUGC membership fees paid between November and February are carried over to the following full year. AUSA fees paid in January and February may be carried over.

In order to ensure AUGC memberships are renewed each year, the club will endeavour to contact existing members, however members can:

- Pay the membership fee at the airfield and record it on the flight-sheet as AUGC/AUSA membership.
- Pay the membership fee at the O'Week desk (noting that O'Week packages described in Section 8 are for new AUGC members only).
- Notify the Treasurer by email of their intention to renew their AUGC membership. Please ensure that there are sufficient funds to meet the costs of membership.

New members must complete an AUGC/AUSA membership application forms and pay the appropriate membership fees. New members should use the application form at Appendix 1 to the Constitution, which can be found on the AUGC website.

5 Gliding Federation of Australia (GFA) Membership

GFA membership is compulsory for all persons taking the controls of a glider or winch. New/introductory GFA memberships are managed by AUGC on behalf of the GFA. New GFA memberships span a variety of periods from days (Introductory) to a year (Full)-time. GFA membership renewal for full-time GFA members is managed directly by the GFA. AUGC encourages all trainees to become full-time GFA members. Introductory GFA members are not allowed to fly solo. The Duty Pilot/ Instructor may request proof of membership (e.g. a GFA membership card or receipt) to ensure that the appropriate type of membership is held for the flying to be undertaken.

Current GFA rates are attached at Appendix E.

In order to avoid difficulty should the worst happen please ensure that your GFA, AUGC and AUSA memberships are responsibly managed. GFA membership, including the insurance cover and the solo flying privileges it provides, are granted by the GFA conditional on the pilot being a member of a GFA affiliated club. It is mandatory that AUGC members be AUSA members. This interweaving of AUGC, AUSA and GFA memberships imposes a high cost on taking up our sport, and efforts to spread these costs over time should not represent an excuse to expose the club, AUGC's members or the public to financial risk.

6 Flying Rates

6.1 Standard Rates

	<u>Normal</u>	<u>Concession</u>
Winch Launches:	\$6	\$5
KRO	75c/min	75c/min
GMI Club Libelle	70c/min	70c/min
WVA PIK-20	70c.min	70c/min
FQW Motorfalke	\$1/min	\$1/min (Engine time 90c/min for all)

* For use of aircraft operated by other third-parties, AUGC will pass on the full hire charge where applicable. Concession rates may not apply.

A table of total flight cost by duration is provided in Appendices A & B for winch-launched AUGC aircraft and Appendix C for the Motorfalke.

6.2 Flight Types and Person Charged

For each flight, aircraft hire, launch and engine costs are charged to pilots' accounts following standard practices, unless otherwise noted in the Remarks column on the flight sheet.

Flight Type	How Charged
Air Experience Flights (AEF)	Charged to the trainee at the applicable AEF rate.
Training Flights (T)	Charged to the trainee.
Check Flights (C)	Charged to the pilot being checked. This is assumed to be the non-instructor aboard. Where two instructors are aboard, clarifying comments should be made on the flight sheet.
Passenger/Friend (PF)	Charged to the pilot. The pilot may choose to privately recover costs from the passenger, noting that GFA rules require that the pilot must bear at least half the cost ¹ .
Local (L)	If flown solo, charged to the pilot. For flights with two pilots, each pilot will be charged 50% of the amount they would otherwise pay as the only pilot. Thus concession holders will be charged 50% of the concession rate, and other pilots will be charged 50% of the normal rate.
Declared Cross County (DX)	Charged as for local flights except that, for Club members flying AUGC aircraft, aircraft hire is charged only for the first 3 hours of the flight.
Instructional DX (IDX)	Charged to the trainee. For Club members flying AUGC aircraft, aircraft hire is charged only for the first 3 hours of the flight.
Evaluation flights (E)	For AUGC aircraft, no charge for the first 30 minutes.

6.3 Further Guidance

- Any flight in which an unintentional launch failure (e.g. a cable break) resulting in the aircraft landing-ahead is not charged. All simulated launch failures are charged at the usual launch rate (and shall be recorded on the flight sheet in the remarks column).
- For Club members, AUGC aircraft hire at the home airfield between first light and 10:00 AM is free. Launches and engine time are charged at the usual rates.
- Where AUGC aircraft are flown 'away from home', expecting Executive committee approval has been granted, the pilot is responsible for payment of all fees and charges (e.g. launch, landing, tug ferry, airfield hire, insurances), unless prior arrangement has been made with the Treasurer.
- Where AUGC aircraft are flown away from home, expecting Executive committee approval has been granted, a minimum hire fee may be charged.

¹ GFA MOSP 16.2.4 - Private Passenger Ratings

- Launches are provided by the SAA owned and operated winches at the home airfield. From time to time alternative launch methods may be provided and the launch fees will be determined on case-by-case basis (e.g. they may include tug ferry fees).
- “AUGC aircraft” includes those owned or operated (e.g. cross-hired) by AUGC Inc.

7 SAA Levy

A \$5 levy is charged for each day a person flies at the home airfield. This levy is included in the cost of AEF packages and training packages.

8 Air Experience Flight (AEF) Packages

Air Experience Flights are offered as a standard package at fixed cost with an option for additional flying at extra cost.

8.1 Standard AEF Package

The base cost for a **winch launch or self-launch AEF** is:

- **\$90 Normal.**
- **\$60 Concession.**

The package includes:

- Up to 25 minutes flying in a twin-seater aircraft. The club aims for 20 minutes flying time, but cannot guarantee this owing to the unpredictability of weather conditions.
- Introductory GFA membership
- Airfield Services Levy
- AUGC training logbook
- Aircraft choice is at the discretion of the Duty Pilot.
- For various reasons the club may offer one or a mixture of self-launch and winch launch flights. Following the first flight, a second winch launch (or engine time as appropriate) is included where conditions permit and the first flight has lasted less than 15 minutes.
- Overall The AEF package shall be limited to:
 - A maximum of 2 winch launches or
 - Motorfalke engine time as required to achieve a 20-minute flight.

AEF customers are entitled to a \$25 discount on becoming full members of AUGC/AUSA. within 1 month.

The charges and conditions for the standard package may vary at any time.

8.2 AEF Package Extension

AEFs may extend beyond 25 minutes for extra cost with the permission of the passenger.

For winch launch flights, flight time beyond 25 minutes and additional winch launches are charged at normal Club rates (not concession rates) as shown in Section 6.1. For self-launch flights (i.e. FQW), the time beyond 25 minutes is charged at a flat rate of \$2.00 per minute, including engine time. A table of AEF charges is shown at Appendix D.

To avoid any confusion or embarrassment, **it is the responsibility of the AEF instructor to effectively communicate to the passenger** that additional payment will be required for flights beyond 25 minutes.

9 Prepaid AEFs, including O'Week

AEF packages, described in Sect 8, may be offered for sale off-field and in advance (e.g. at O'Week).

The purchaser will be issued with a voucher. The voucher must be produced by the purchaser on the day of the flight. It should be checked to ensure that it remains valid and must be endorsed (preferably by the Duty Pilot or Instructor). The voucher must be forwarded (via the cash tin) to the Assistant Treasurer/Treasurer.

10 Training Packages

The club offers a comprehensive package to members to provide value for money training to solo for pilots. The package holder pays a single cost to cover most of the expenses incurred during training to their first solo flight. There are upper limits set in terms of launches, flying hours and time window, to encourage the package holder and the club to benefit from the package.

It is recommended that trainees should complete at least one day of post-AEF training prior to committing to purchase of a training package.

The package cost is:

- **\$310 Concession**
- **\$475 Normal.**

The training package includes, up to and including first solo flight* or up to expiry, the costs for:

- AUGC (or BVGC) aircraft hire.
- SAA provided winch launches.
- A limit of 1.5 hours of MotorFalke engine time.
- SAA Airfield Services Levy.
- GFA pilot logbook.

* Note that full/annual (not Introductory) GFA membership is required to fly solo and this is not included in the package.

Before 31 August 2011 - The package expires after 15 hours flying or 50 flights under the package or 12 months from purchase, whichever occurs first.

After 1 September 2011 - The package expires after 12 hours flying or 40 flights under the package or 12 months from purchase, whichever occurs first. Only 12 SAA levy payments are allowed for.

The package does not include

- GFA membership.
- AUGC or AUSA membership.
- AEF flights.

The Club may:

- Backdate the package start date so that any fees associated with training incurred prior to receipt of full payment for the package may be included, but only at the discretion of the Treasurer.
- Vary the cost and terms of new packages at any time, however existing packages will remain unchanged until expiry.
- Regulate the number of packages available each year if training resources are limited.

Extension of the termination date may be considered by the Treasurer in the event of exceptional circumstances, noting:

- The Treasurer is contacted before the package expires.
- The maximum extension permissible is 12 months.
- A \$30 surcharge will be charged
- AUGC/Sports Association memberships may need to be renewed independently by the package holder.
- Changes to the package may have occurred which will apply during the extension.

Cancellation and refund may be considered by the Treasurer in the event of exceptional circumstances.

11 Bulk Flying Package

The Club offers a bulk flying package for members to pay a fixed cost for unlimited aircraft hire of AUGC aircraft for 12 months. It has been designed to offer value for money to pilots expecting to fly high aircraft hours.

The package cost is:

- **\$1480 Normal.**
- **\$1000 Concession.**

The bulk flying package includes:

- The Club aircraft hire component of flying for the purchaser only.
- The package is valid for 12 months from the date payment is received.
- The full aircraft hire part of training, check or annual check flights.
- The shared aircraft hire part (50%) of passenger-friend, local or cross-country mutual flights.

The bulk flying package does not include:

- AEF flights.
- Launch fees.
- Motorfalke engine time.

The package must be full prepaid and may not result in the account balance becoming negative. Please notify the Treasurer when payment is made for a package to ensure it is enacted, which will commence promptly from the date of payment.

The package expires 12 months after full payment is received.

Cancellation and refund may be considered by the Treasurer in the event of exceptional circumstances.

- The Treasurer is contacted before the package expires.
- A \$60 surcharge will be charged
- All costs incurred to date will be met by the package holder.

12 Miscellaneous Sales

12.1 Food & Drink

SAA maintains stocks of food and drink in the clubhouse. Prices are displayed on or near the fridge.

AUGC maintains stocks of food and drink at West Beach. AUGC often caters for evening meals on the airfield. Charged will be set by the organiser on the day. Often an Airfield Cash Sheet is used to manage payments for these events.

Cash payments for food and drink should be made directly into the relevant cash tin. Please refrain from 'running up a tab' as this is likely to result in missed cash payments. If not paying cash, food and drink may be charged to accounts using the 'Honour' sheets attached to the fridges. Any payments for food and drink marked on Honour sheets should be recorded on the flight sheet and not deleted from the Honour sheet. The Honour sheets are entered into the accounts database and accounts debited for the items purchased from time to time.

12.2 Books

Stocks of certain GFA publications are maintained by the club. Book purchases/payments should be recorded on the flight sheet. These books are often used or referenced during end of operations briefings 'straight off the shelf' and often new members are unaware that they are not provided free. The following prices apply unless otherwise marked:

BGK (5th Ed)	\$25
GFA Daily Inspector's Handbook	\$15
GFA Airways and Radio Procedures	\$5
GFA pilot logbook	\$5
AUGC training logbooks	Free for AUGC members

13 Reimbursements

Members who pay for goods or services on behalf of the Club or SAA may submit their receipts to the Club for reimbursement.

All reimbursements are subject to Executive ratification. Ideally members should have Executive Committee approval before incurring any expenses for, though it is acknowledged that this should not disrupt the ongoing operation of the club. It is preferred that receipts be submitted attached to a completed "Receipt Reimbursement Form" (available from the AUGC web page under 'Members' and 'Documents'). If this is not possible then please mark the receipt with your name and the reason for the expense.

Receipts for airfield or winch items will be on-forwarded to the SAA Treasurer, though reimbursement will still be via AUGC accounts unless arranged otherwise.

14 Account Payout

Members with a positive account balance may request a payout from the Treasurer, who will make every effort to pay the amount in an expedient way if funds permit.

15 GST

AUGC is not registered to collect any GST on it's fees or charges.

Change History

Eff.Date	Author	Changes
19/3/03	T. O'Connor	Original.
1/5/03	T. O'Connor	Updated GFA rates. AEF rates increased \$5.
8/7/03	T. O'Connor	Added description of fridge tick sheets. Correction of AEF rates table.
4/12/03	T. O'Connor	Added Motorfalke rates incl. AEF package. Updated AEF rules.
19/8/04	T. O'Connor	Added 10.3, 10.4. Removed SA Jnr fees. Clarified GFA subsidy. Amended tables & Levy
15/9/04	T. O'Connor	New winch launch & package rates.
21/11/04	T. O'Connor	Simplified AEF rates. Added Sect 13. Updated Appendices A-D.
16/2/05	T. O'Connor	Updated O'Week deal. Clarified impacts of using BVGC winches & aircraft.
06/04/05	C. Starr	Updated details of the training package.
18/01/06	C. Starr	Added bulk flying package. Upgraded Section 6.
1/02/06	T. O'Connor	Added Social membership. Updated hire, membership, levy & package charges
27/2/06	T. O'Connor	Revised Sports Assoc requirements for AU students. 30 min limit for free eval flights.
1/6/06	T. O'Connor	Updated GFA fees. Discount for GZM flown solo.
1/7/06	T. O'Connor	Updated book prices
1/9/06	T. O'Connor	Concession rates for AUGC members only. Various updates to reflect the move of some services from BVGC and AUGC to SAA. Extension of GZM discount.
1/12/06	T.O'Connor	Changed concession launch rate and BVGC hire rate. Added minimum hire fees for multi-day hire. Removed Social membership of AUGC. Update SAUA fees.
1/5/07	G. Newbold	Removed Social/Honorary memberships. Updated AEF and FQW fees. Removed self launch engine time from training package.
1/7/07	G. Newbold	Correction to FQW flying/engine rates. GFA Fees Update
25/1/08	G. Newbold	Add Junior membership rates
1/2/08	G. Newbold	Section 9 – "O'Week Discount" to be determined year to year – now "Prepaid AEFs"
22/2/08	G. Newbold	Section 4 – 2008 AUSA membership fees; Section 4 – Rebate on membership when joining within 1 month
16/7/08	G. Newbold	Section 8 – New AEF Rate; Section 2 – International banking details added
7/9/09	G. Newbold	Section 6.1/6.3 – GZM references removed. Section 9 – O'Week discount discontinued. GFA rates updated.
6/1/2010	G. Newbold	Section 1&2 Redraft. Section. GFA Fees & Ready Recon-er updated
1/9/2011	G. Newbold	Revised Aircraft hire rates and Pre-Solo Package
