

AUGC Accounting System

1. Old system long past use by date.
2. Basic accounting requirements very simple.
GL/AP/AR. No requirement for inventory,
procurement or payroll!
3. Complicated by requirement to keep flight records
4. Need painless process from flight sheet to flight
database and accounts.
5. Once needs are crystallised will test 3 standard
cloud based accounting packages.
6. Packages being considered:
 - Sage 1
 - Quick Books Online
 - Zip Books
