PRESIDENT'S WORDS

ANNUAL GENERAL MEETING

Wednesday 7th April 7.30 pm
 Canon Poole Room Adelaide University
 (Dinner beforehand, 6.30 pm
 Equinox Bistro Adel Uni)

Hi everyone.

I would like to welcome to the club all of those people who joined us during O' Week, and I look forward to meeting you up at the airfield sometime. Please feel free to invite your friends along as well, I'm sure they will enjoy themselves. However, please be patient when you are at the airfield. We cannot control the weather, and some of you will get long flights and some of you will get a number of short flights. We all eventually get our fair share if we continue to go gliding.

The year has had a very good start and I'm sure that it will continue. Last month featured some particularly good soaring weather and even some ridge flying. Congratulations to **Trent O'Connor** for going solo, **Andrew McCauley** for gaining his Silver 'C' badge and **Angus MacGillivray** for successfully flying his first cross country. **Rob Curtis** deserves a mention as well - none of his passengers barfed while he was flying this month (unfortunately I wasn't so lucky!).

This year will be a great one for the club. We have a number of projects which we hope to complete (or at least give a serious nudge along to), including the new hangar, the new winch and the rebuild of the *Bocian*. As the shed at West Beach is reasonably clear of aircraft maintenance until mid year, these projects should progress rapidly. Come on down on a Monday night and see what is happening.

Important upcoming events include the Annual General Meeting on Wed 7 April in the Canon Poole Room at Adelaide Uni. This is where we elect the new Executive Committee for this year. Also fast approaching is the Gawler Regatta held over Easter. Can the *Bergfalke* sweep all before it again? The club is also planning to go flying at the Flinders Ranges over the Queen's Birthday long weekend (12-14 June). Featuring spectacular scenery and good weather, last year's trip was very successful, and this year's should be even more so.

May you have fun flying,

Anthony

FREE FLYING FOR STUDENTS

Well I bet that got your attention!

Every year the Adelaide Uni Sports Association offers a limited number of scholarships to Adelaide Uni students (accepted into a course of study of at least 2 years). The scholarships are for \$1,000 and are to assist with the payment of fees (GFA fees for a start as well as club membership), text books, sporting equipment, etc. They are intended to encourage people with ability to take their skills to a higher level of participation/competition. Scholarships may be renewed in subsequent years. \$1,000 works out at around 40 hrs of flying (30 mins/flight average + launches), GFA fees and assorted gliding books for a year.

Not bad, eh?

The questions in the application are:

1. How do you envisage yourself assisting your club, ie. competitor, coach or administrator?
2. In what respects do you consider you can help your club?
3. To what purpose would you put the money?
4. How would you finance the activities if you weren't awarded a scholarship?
5. Why would you like to win a Sports Scholarship?
6. What have been your achievements over the past two years which best suggest a willingness on your part to pursue your aspirations and likelihood that you will achieve them?

As well as details of your competition experience, any other relevant details and referrals/references (see me as Prez or David Conway as CFI).

Visit the Sports Association Office and ask for a form for the *Bob Heddle Sports Scholarship* (entries close in May sometime I think), or contact me for further info.

Anthony

Hi Everyone,

Just a reminder that GFA, Sports Association and Club Fees are due at the end of March. Since I have to pay the GFA and Sports Association before the due date, please make sure there is enough money in you account to cover these fees if you are going to renew your membership.

NOTE: I WILL NOT RENEW your GFA subscription unless you have enough cash in your account - NO EXCEPTIONS. You will also not be allowed to fly at Lochiel unless you are a current GFA Member. A membership list will be posted at Lochiel for the Duty Instructor/Duty Pilot to check that you are indeed a GFA Member.

Fees are as follows :

Club:	\$10.00
Sports Association:	\$55.00
GFA Full:	\$148.00
Family:	\$119.20
Student:	\$45.65
Family Student:	\$31.25

*A FAN-TAB-U-LOUS weekend!!
Relaxed, friendly competition, with heaps of gliders flying the tasks - most of the experienced pilots went round the course more than once, giving moral support to the less experienced; even a Balaklava pilot or two joined in. Saturday saw 8 knot thermals to 10,000', Sunday was cut short due thunderstorms. A great weekend, thoroughly enjoyed by all those who came along. Let's hope the club has more of this sort of thing! (Full report next month.)*

WHAT'S ON IN MARCH?

SO YOU WANT TO HELP AT WEST BEACH?

- Do you want to help fix the gliders or build the winch at West Beach, but can't get there?
- A lift is available from the Adelaide University footbridge at 7.30 pm Mondays and Tuesdays.
- You can also ring Anthony on (08) 8393 2646, e-mail: anthony.smith@adelaide.on.net. He can organize a lift for those who need it.

SO YOU WANT TO GO FLYING THIS WEEKEND?

- You must ring the club contact person, Matt on the Thursday before, between 8.30 pm and 10.00 pm, on 018 810 963 so that he can organize instructors and transport for those intending to fly.
- A lift to Lochiel is available from the Adelaide University footbridge at 7.00 am, from the Caltex Service station on Port Wakefield Rd, Bolivar at 7.30 am, or from elsewhere (by arrangement only) if you have real transport problems.

→ Remember to phone the contact person or you could be forgotten
