A Short Editorial

This very rushed edition of UNI GLIDING exists to remind you of:

1) the meeting on Wednesday night (see cover)
2) the Calendar (a more complete version will be printed in the next edition due out after Mildura)
3) the Sunraysia Mini-Comps to be held from Dec. 4 to Dec. 11 (due to unforseen circumstances we are short of people to occupy seats in the Bocian and to crew.)
4) the other competitions this season - Leeton & Horsham
5) the problems of spacing on electric typewriters.

Now that the reminders are done, come flying.

Have fun,

Dene

P.S. Did you hear about the cross-country flying last weekend?
